The Chief Secretary to the Government of
His Highness the Maharaja of Mysore.

Sir,

I am directed to invite a reference to endorsement No. 1046, dated the 19th December 1917, regarding the transmission to this office of weekly plague statements, and to say that the Hon'ble the Resident will be glad to know if the Durbar could, without inconvenience forward each Monday a consolidated statement of plague seizures and deaths for the whole state relating to the preceeding period of 7 days ending each Saturday, in lieu of the reports now being received direct by this office from the Deputy Commissioners.

2. In any case I am to request that weekly reports whether sent direct by the Deputy Commissioners or by the Durbar as proposed above, may be substituted for the daily reports of plague and cholera. The Hon'ble the Resident will be much obliged however if he may receive early intimation of any exceptional menace to Bangalore Cantonment or Coorg, and a brief narative, as requested in my predecessor's letter referred to above of the progress of plague or any events connected with it which may be of sufficient moment to deserve notice.

3. I am to express Mr. Cobb's thanks to the Durbar for so regularly supplying these returns in the past.
